"Inspiring artists to grow in community and share the gospel through creative works."
The gospel is our message, art is our language.

EXCITING NEWS!

Inspire Worship Co. is ready to record a new album! After spending the last 2 years actively writing and performing a large number of new songs, we believe it is time. Why? Jesus commands in Matthew chapter 5 that as His followers, we shouldn't hide the light that God has placed within us, but "...let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:16) Remember that our focus here at Inspire is:

1. **Artistic community:** We are here to pour into our artists spiritually and creatively, encouraging them to gather together in discipleship so they have the freedom to...
2. **Creative works:** ...use their God-given gifts to CREATE!
3. **Share the Gospel:** These creative works aren't meant to be kept to ourselves, but displayed and performed publicly, sharing the Gospel and shining the light of Jesus in our community.

After all, the gospel is our message. Art is our language.

We would like to record an album of our current music to share the gospel with others outside of live performances. In order to do this, we need your help. Will you partner with us in the following ways?

PRAY:

Please pray for our artists; for continued spiritual growth and outpouring of the Holy Spirit in their lives. Please also pray for this project to succeed financially and musically. Pray that the Gospel would make a tangible difference in the lives of our community through these songs.

DONATE:

In order for this project to become a reality, we need to raise \$10,000 to professionally record 5-10 songs. We are currently 60% funded! Please consider partnering with us by donating to this as a special project for Inspire Worship Co. Remember that all donations are tax deductible as we are a 501c3 organization.

You can donate on our website or by mailing donations to:

(Memo: Recording Project)

The funding for this project is not a part of our regular operating budget. Funds raised for as a part of this campaign will be allotted specifically towards Inspire Worship Co. recording projects.

Thank you for your support and partnership in ministry!
